1. Who will come into Me for all that I want to give them?
Who will receive from My hand all that I want to share and reveal?
Who will impart My heart after they have partaken of My heart?
Who will My body be after they know they are My body, to others?
Who will be the sacrificial lamb slain for the life of others;
To remain holy, to be holy, to become holy, to see their holiness?
To see I Am, and that they are I Am?

2. Who will come into Me to not seek fame and glory and accolades and honor; and sweet words of kindness before powerful-thought people?

3. Who will see the lepers in colonies and viper's eggs not hatch, but yea lay their hands on; healing; effectually be My effectiveness eternal?

4. And yea who can sight have in two kingdoms simultaneously and know the one from the other, and taint not yea that which is not, with that which is; and taint not that which is with that which is/was not? I love you.

5. Who can see/discern? Who will look into the path/face of truth?
Who is willing to be slain by slaying themselves, their own thought?
Who will judge who, or yea only each other, not; but yea the one in their mirror/own?

6. I love you and I give you Me/passage many/passage fare/fair, and eternal; and yea of My face. I love you.

7. **I give you Me/many children see;** and there is no beholding Me without Me.

8. Far and wide I go/take you to now; yea we writhe not; but yea to many heal who do; in pain, suffering, loneliness, depression, isolation, abandonment-thought/felt; yea and who can see I will never leave or forsake you; and be My words to them? I love you.

9. Eat My words you do/I love. I thank you.

10. I give you this day; miracles of Me so naturally occurring from My heart/hand/fingertips. Yea you reside in only Me, and yea seamless My robe is.

11. I give you Me. You have My all, and My all is all yours.

Good day.
